

Qian Zhou

Information

Ph.D. Candidate in Computer Science at Wuhan University.

Email: zhouqian@whu.edu.cn

Personal website: <https://liyiersan.github.io/>

Education

Ph.D. in Computer Science, Wuhan University, Advisor: Prof. Zhongyuan Wang	Sep. 2023 – Present
M.E. in Computer Science, Wuhan University, Advisor: Prof. Hua Zou	Sep. 2021 – June 2023
B.E. in Software Engineering, Wuhan University, GPA: 3.76/4.0	Sep. 2017 – June 2021

Research Interests

Gait Recognition, including silhouette-based methods and multi-modal approaches.

Medical Image Analysis, including segmentation and classification techniques.

Road Network Representation Learning, focusing on robust features for various downstream tasks.

Publications
