

Qian Zhou

Information

Ph.D. student (third year) in Computer Science at Wuhan University.

Email: zhouqian@whu.edu.cn

Personal website: <https://liyiersan.github.io/>

Education

Ph.D. in Computer Science, Wuhan University, Advisor: [Prof. Zhongyuan Wang](#) | Sep. 2023 – Present

M.E. in Computer Science, Wuhan University, Advisor: [Prof. Hua Zou](#) | Sep. 2021 – June 2023

B.E. in Software Engineering, Wuhan University, GPA: 3.76/4.0 | Sep. 2017 – June 2021

Research Interests

Gait Recognition, including silhouette-based methods and multi-modal approaches.

Medical Image Analysis, including segmentation and classification techniques.

Road Network Representation Learning, focusing on robust features for various downstream tasks.

Publications
